The Seniors chose DE NOVO as their title because it comes from two Latin words meaning "To Start Anew". That is how we look upon our graduation --- a new start.

# Senior Class Will

We, the Seniors, in the year of nineteen hundred and fifty-seven, do hereby will and bequeath the following as our last will and testament, to be read and executed upon our departure.

To Mr. Green, we will a larger office, since that is what he seems to need most.

To Mr. Bridges, we will a senior class who will not ask him to put out an annual the year after next.

To Mr. Church, we will a class who will not talk all of the time during Government. You will have to fight it out with the Juniors!

To Mr. Sloop, we will an Advanced Math Class that is as smart as we were.

To Mrs. Sturgeon, we will an automatic duplicator that will run by itself so that she won't have to ask the girls in her classes to do it for her.

To Mrs. Maguire, we will a music class who will co-operate with her and who will never miss a class.

To Miss Shonkwiler, we will a garage mechanic to fix her tires when they go flat.

To Mr. Massey, we will a senior Ag. class who will call him Mr. Massey.

To the Juniors, we will our Senior Lounge in Government Class and hope they get by with the things we did.

To the Sophomores, we will our ability to have eight boys from our class play on the main ten in basketball.

To the Freshmen, we will our position as having the loudest class in school.

I, Mary K. Noblitt, being of sound mind and body make my will, and do bequeath my ability to indulge in shady exploits and not get caught or even suspecioned, to Jon Sieverston. (Use it sparingly.)

I, James Burgett, being of sound mind and body do hereby will and bequeath my ability to enter the school drive on all four wheels to Gary Bryant.

I, Glen Williams, will my dislike for girls to Alan Stout.

I, Margaret Hehe, will my catty remarks to Jane Simpson and I hope she uses them wisely. Good Luck Jane!

I, Joan Hommel, will my ability to talk, laugh, and tell jokes constantly to anyone who can get enough vitiman blab each day to do so.

I, Fred Bullman, being of sound mind and big feet will my wool socks to Marilyn Hyde. I hope she uses them to an advantage!

I, James B. (E. Presley) Roy, do hereby will and bequeath my wiggles, jiggles and shakes to Herman Wood, Jr.

I, Jane Utterback, being of sound mind and body do hereby will and bequeath my quiet and non-flirtatious ways to Judy Vanderploeg.

I, Claudia Hooks, do hereby will my ability to have a wreck at 2:35 E. M. (Early Morning) with seven girls in the car to Danny Poe.

I, Mike Hinkle, will my ability to wear my pants thin by sitting on the bench during a ball game to Roger Rund.

I, Bill Goodwin, will my ability to be the only boy in my class with long hair to Bill Cummings

I, Deloris Hacker, will my ability to go steady for two years to June Park. Good Luck June!

I, Martha Utterback, wishing to give where need is greatest do hereby will and bequeath my strong voice (that carries) to anyone who makes A's in Citizenship.

I, Loren (RED) Thompson, do hereby will and bequeath my coal black hair to anyone who can find enough dye to keep it that way.

I, Richard Williams, will my ability to get along with GARVIN to Tim Baker.

I, Kay Hankins, being of sound body and hollow head do hereby will and bequeath my undying loyalty to our basketball team to Laurie Burks.

I, James R. Wyrick, Esq. IV, will my paper wad shooter, sling shot, and my supply of rubber bands to anyone who thinks they can use them without getting caught. I hope they have better luck than I did!

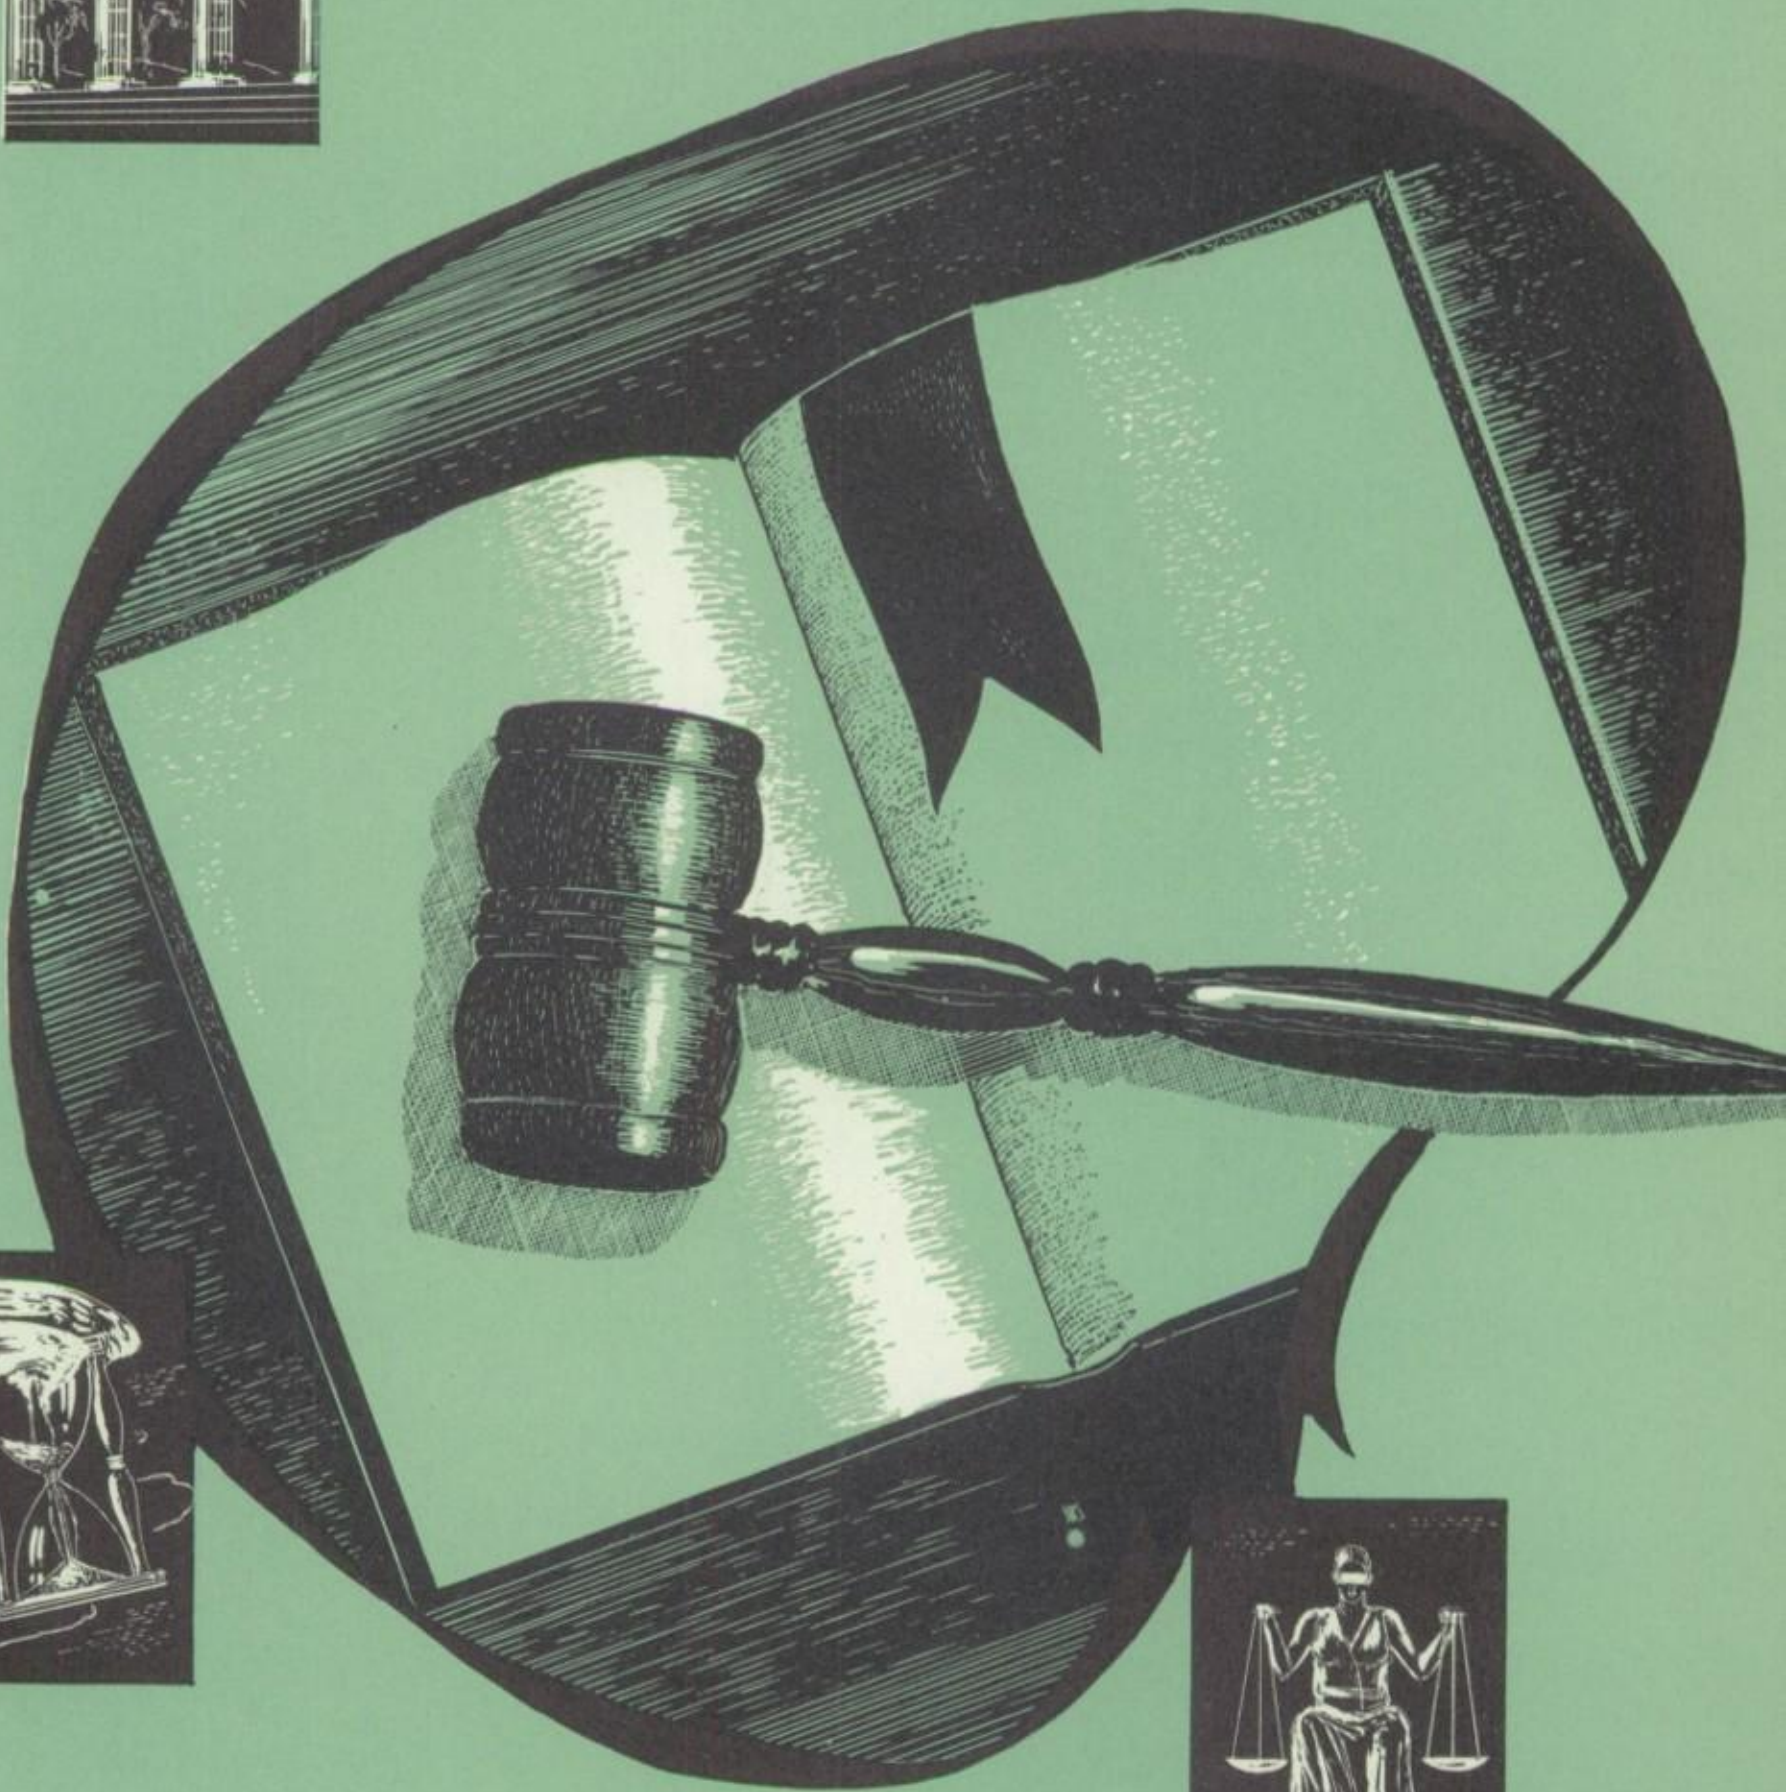

I, Nancy Eads, being of sound mind and body do hereby will and bequeath my friends from Edinburg to Barbara Herring.

I, Dave Richards, will my sneaky ability to transport edibles of all sizes and shapes to the class rooms and eat them without looking conspicuous to Earl Porter.

I, Janice Burns, in my final word and last testimony, do hereby bequeath my "red-hot" temper and my "happy-go-lucky" ways to Emma Lafary.

## SUNSHINE SOCIETY

The Union Twp. chapter of the Indiana Sunshine Society was organized in 1927. There are fifty-five members in our chapter this year.

The Sunshine Society exists for the purpose of helping others, improving our community and bettering ourselves.

Our society has had several projects this year. We sold candy and donated the profits to the library to use to buy some new books. We sponsored a Christmas dance and prepared gifts for the mental institution at Madison. Baskets of food were given to those who needed them. Christmas gifts were given to the first grade. We also sponsored a banquet for the basketball boys.

The officers are as follows:

Mary K. Noblitt	-----	President
Virginia Hyde	-----	Vice-president
Martha Utterback	-----	Secretary
Nancy Eads (Not pictured)	-----	Treasurer
Sharon Mabry	-----	Chaplain
Kay Hankins	-----	Song Leader
Mrs. Sturgeon	-----	Sponsor

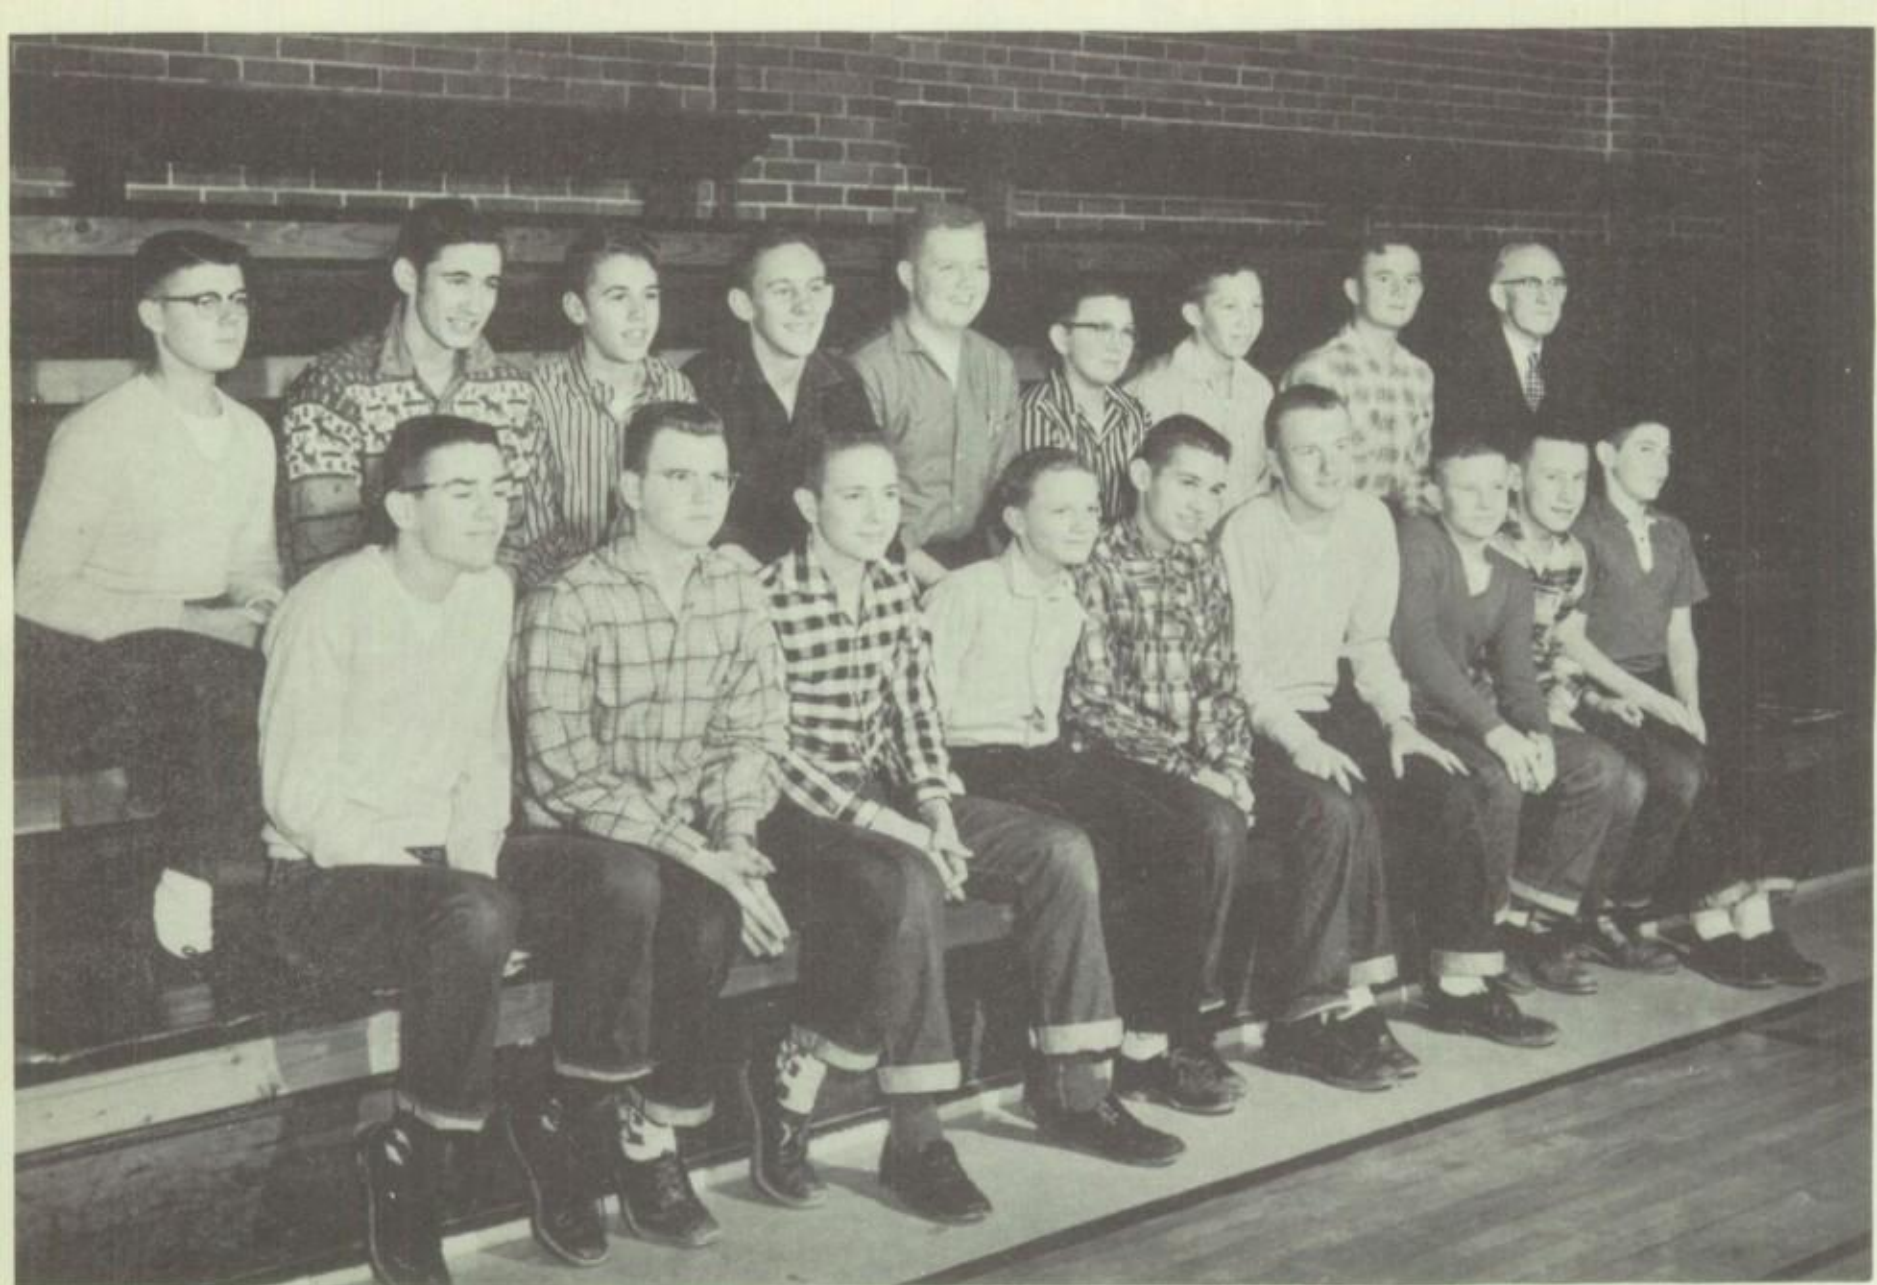

### ELECTION BOARD

The election board consists of students from the Junior and Senior classes. Members of the board are four clerks, two judges, two sheriffs, and one inspector, all elected by fellow class members.

The purpose of the election board is to make arrangements for a mock election held every election year. Each officer performs certain duties, such as distributing ballots, placing the ballots into the ballot boxes, making sure that every voter has privacy while voting, and keeping order at the polls.

The election board works to make these elections as nearly like real elections as possible so that students may be better prepared for actual voting activities in the future.

## *F. F. A.*

A chapter of the F.F.A. was newly organized at Union this year. The F.F.A. organization, a part of the vocational education program of the Federal Government, is intended to develop qualities in leadership, sportsmanship, good citizenship, thrift, scholarship, and patriotism in the future farmers of our country.

The Emblem of the F.F.A. is made up of five symbols; the owl, a symbol of wisdom and knowledge; the plow, a symbol of labor and tillage of the soil; the rising sun is emblematic of progress and the new day to dawn when all farmers are trained; corn represents common agricultural interests; and the eagle is indicative of the national scope of the organization.

Meetings are held every two weeks in winter and once a month in summer. Meetings of the Union Township Chapter are held under the supervision of Mr. Massey. The officers are as follows:

John Burgett	- - - - -	President
Lawrence Rybolt	- - - - -	Vice-President

Monthly meetings are held at the homes of members. A business meeting, a program planned around some phase of Latin or Roman life, and a social hour with refreshments is the usual order. The officers are as follows:
